Dear Sir:

The dry lake that you described in your telephone call to Mr. Hamilton yesterday, lies roughly in Townships 7 and 8 North, Range 56 East, in the center of the Railroad Valley National Wildlife Refuge. This land is withdrawn for wildlife purposes but it has been proposed for restoration to the national land reserve. You should therefore make application for most types of uses to this office.

If you wish to apply for a withdrawal or a right-of-way under 44LD 513, you would apply to this office. If you want a Special Land Use Permit however, your application should be filed with our District Manager in Battle Mountain, Nevada.

Sincerely yours,

H. Curt Hammit  
Manager
